COMPACT DESIGN

The MPT 24/1g mobile stacking conveyor is for customers looking for a conveyor designed with low operating costs, lower weight and compact dimensions in mind. Move up to 400 tons of material per hour and stack material up to 35-feet high.

The MPT 24/1g offers low fuel consumption and works perfectly in line with a shredding or screening unit.

CLASS-LEADING WARRANTY

All Pronar machinery comes with a robust, class-leading warranty. The MPT 24/1g has a **24-month or 2000-hour limited warranty**. At **TiLT Industrial Services**, we partner with quality manufacturers and provide after sales service to keep you running in the field.
